  - B. New sign is complete and needs to be put up on Gorman Road.
  - C. Walktober update? Do we need help for this event or does it run itself?
  - D. Sandy to update on Brooklyn Fair booth. The fair gave us a small area on the outside wall of the old exhibition hall. It worked out fine, but you needed to unlock every morning at 10am and close it at 10 pm.
  - E. South Brooklyn Solar project. What do we want to pursue on this project? We originally talk of pollinator fields and now I hear talk of grazing sheep around the panels. There was a hearing the other night, but the town failed to publish the meeting and only 3 people heard about it and showed up to attend.
- VII. New Business:
  - A. Sally Timmons was a member of the Killingly Vo-Ag advisory committee along with yours truly. We are looking for a new volunteer to fill this slot.
  - B. Any other business to come before this meeting.
- VIII. Action Items for Next Meeting
- IX. Adjourn (Next meeting October 24, 2017)
