

Brooklyn Conservation Commission
Regular Meeting
May 2, 2016
7:30 pm Green Building

In attendance: H. Adams, D. Heilemann, B. Thorton, C. Merrill, D. Wimmer. Absent with notice: J. Noel, M. Oatley

D. Wimmer called the meeting to order at 7:30.

H. Adams (B. Thorton 2nd) made a motion to accept the minutes of March. Motion passed.

There were no subdivision reviews.

Election of officers was tabled until all members were present.

Budget: H. Adams (C. Merrill 2nd) made a motion to allow D. Wimmer to spend up to \$100 to get supplies for family fun day. Motion passed.

Family Fun Day. The Commission is working with the AG Commission with planting on Family Fun Day. In addition there will be a presentation about the Source Water Report.

Source Water Subcommittee: Marc Cohen will present findings on Source Water and will be at our tent.

Last Green Valley Walk: There will be a walk at Barrett Hill Farm. The brochure said that the Conservation Commission sponsors this. The walk will take place on May 20 from 1- 2:30. We will contact the Rosenbergs to make sure that they will be available and hope to have some of our members there.

Earth Day: The Commission thought that the town's sponsorship of this event made it a much more successful event than its own efforts in the past. There was discussion about having recycling bins for plastic and cans at the parks and trails.

Correspondence: Went over the notice from the Army Corps of Engineers. This does not appear to be a program that will be done in Brooklyn.

We corrected the date of the June meeting to June 6, and will cancel the July meeting due to a lack of quorum.

H. Adams (D. Heileman 2nd) made a motion to adjourn. Meeting adjourned 7:53

Respectfully submitted
Diane Wimmer
