

Brooklyn Parks & Recreation

Spooky Nights Committee

Special Meeting Minutes

July 29, 2015

Meeting called to order: 6:39pm

Members in attendance: Rick Labonte, Vikki Labonte, Richard Labonte, Nancy Zurowski, Roseanne Gonyer, Kevin Longo, Lisa Lindia, Sherri Soucy, Bucky Lohbusch and Mike Gaudreau.

2015 Spooky Nights – Discussion held regarding tickets for people entering the haunted house. Bucky will use the stub from the wagon. People will board the wagon and show their stub, hold onto to it until they hand it in as they exit at the haunted house. If they do not have a ticket they will not be able to get in to the haunted house. Bucky went over some of the scenes outside which may include a hearse if we can find one. A band will be on stage and the Danielson Elks may do a scene this year as well.

Vikki and the committee think we should move the “not so spooky land” into the bonfire area next to the Recreation tent where they hand out goody bags.

Actors in the better living building will be given some head sets and speakers for better communication.

Bucky will have a map for the next meeting. Next meeting is scheduled for September 10th at 6:30pm.

Meeting adjourned: Sherri Soucy, 2nd Nancy Zurowski at 7:40pm.
