1. Halloween 2019 discussion – Bucky reported status on outside scenes. Have commitments from Woodstock Academy, Killingly High School, the Band and recruited some witches for the witch's scene. Met with Putnam High Drama Club but had no interest from students. We will have 5 outside scenes and 2 houses. Committee will work on getting more volunteers for the next meeting. Badges for all who work will be handed out before the event. Nobody will be allowed to work without the badge. Kevin asked about candy in building. Bucky reported that Lisa is making up 500 bags for each night to be handed out in the not so scary building.
2. Adjournment – motion made by Lisa, second by Sherri. Adjournment 7:16pm
