## A Two-Step Process to “Opt-Out”

To opt out, the Planning & Zoning Commission must hold a public hearing, approve the opt out with a 2/3 majority, and publish notice of the decision. The Board of Selectmen must also vote to opt out with a 2/3 majority. In municipalities whose ADU regulations conflict with the new State requirements and who do not opt-out by January 1, 2023, the applicable state provision will override any conflicting local requirement.

## Accessory Dwelling Units (ADU’s/Accessory Apartments) – See Sec. 6. of PA 21-29, page 13-16 of 28

PA 21-29 establishes default provisions that allow construction of ADUs (referred to in the Act as “accessory apartments”) on lots accompanying single-family homes, unless a municipality chooses to opt out of this provision by January 1, 2023.

Limits on ADU requirements: In addition to allowing ADUs accompanying single-family homes, PA 21-29 places limits on other conditions of approval, including:

- ADUs are not restricted to homeowners or relatives of occupant of primary structure.
- **Approval process shall not require a public hearing, special permit or special exception; and decisions must be rendered within 65 days of application. *Currently a Special Permit***
- Permission to construct an ADU shall not be conditional to correcting a non-conformity or requiring fire sprinklers if they are not required by the fire code for the principal dwelling.
- Regulations shall not require ADUs to have an exterior door, be connected to the primary structure, **or have more than one parking space.**
- Regulations must allow maximum ADU size of at least 1,000 sf or 30% of the size of the primary structure, whichever is smaller.
- The construction of an ADU may not trigger more restrictive lot coverage requirements than applicable to the primary home, require greater setbacks than are required for the primary home, require greater height, landscaping, and architectural design standards than apply to single-family dwellings.
- ADUs shall not be required to be affordable.
- Municipalities may regulate the use of ADUs as short-term rentals. ***(Short-term rentals is a separate topic we should discuss soon.)***

## Maximum Parking Requirements – See Sec. 5. of PA 21-29, pages 12-13 of 28

Public Act 21-29 requires that zoning must not require parking in excess of 1 space per studio or 1-bedroom unit, or 2 spaces for larger housing units, unless a municipality opts out of this requirement.

***Our Zoning Regulations currently require two parking spaces per dwelling unit.***
