

**Resource Recovery Commission
Regular Meeting Minutes
Thursday, September 29, 2016
Immediately Following the BOS Meeting
Clifford B. Green Memorial Center**

Present: Rick Ives, Bob Kelleher, Joe Voccio, Bob Lee, Bob Benson and Melissa Bradley; Recording Secretary

Also Present: Lisa Fuss, David Fuss, WINY radio and Fran from the Bulletin

1. **Call to Order:** Mr. Ives called the meeting to order at 7:08pm.
2. **Approve Previous Minutes:** Bob Lee made a motion to approve the August minutes as presented. Joe Voccio seconded the motion. Motion passed 5-0.
3. **Public Comment:** None
4. **Discussion on Bags:** Mr. Ives states the incorrect bags were ordered and need to be reordered.
5. **Discussion on Earth Day:** Mr. Ives would like feedback on doing a door to door pick up of bulky waste. Not all residents have transportation to drop off bulky waste at the landfill and this would be a big help for them. This would mean Town employees would be responsible for this and would have to be paid. There is no money in the budget this year for such an event but could be budgeted for next year. Mr. Bensons suggests keeping the Earth Day as is and doing a bulky waste pick up day at another time of the year. David Fuss offers to help pick up around Town. Mr. Fuss also suggests consideration should be given to how the items will be picked up, physical labor vs. a cherry picker. Mr. Ives acknowledges there is a lot to consider and would like to continue discussion during several meetings.
6. **Discussion on MS4 Permit:** MS4 will be effective on January 1, 2017 for urban areas. The area affected is a portion of East Brooklyn that was determined by the US Government. This will include street sweeping twice a year, house to house leaf pickup, monitoring water flow, and cleaning culverts three times a year. There is also a public education component that needs to be addressed. Mr. Ives is attending a seminar next month and will report back.
7. **Discussion on Financials:** Revenues are a little ahead at this point.
8. **Other Business:** Lisa Fuss would like the board to consider opening the landfill one more day a week and/or after a long Holiday weekend. Bob Lee suggests opening as a trial day after a

holiday weekend and see how it goes. Mr. Ives agrees and he will work on what expenses would be to open an extra day.

9. **Adjourn:** Joe Voccio made a motion to adjourn the meeting. Bob Lee seconded the motion. Meeting adjourned at 7:38pm.

Respectfully Submitted;

Melissa J. Bradley
Recording Secretary
