# Earth Day Event

**TOWN OF BROOKLYN &  
THE LAST GREEN  
VALLEY**

Earth day was first celebrated on April 22, 1970 where an estimated 20 million Americans took to the streets, parks, and classrooms to demonstrate for a healthy, sustainable environment and show their commitment to protecting the Earth. Today, more than one billion people and 75,000 global partners in 192 countries recognize Earth day.

**MAY 1, 2021  
9AM-12PM**

**BROOKLYN COMMUNITY CENTER, 31 TIFFANY STREET**

The Town, in conjunction with the Last Green Valley, will supply gloves, trash pickers, trash bags, trash trackers and snacks. Routes and Parks around Town will be mapped out and assigned to volunteers. Garbage will later be picked up by the Town and disposed of at the transfer station.

Connecticut State Police will also be participating in a Drug Take-Back Day. This will take place at the Community Center from 9am – 12pm. This will give the public an opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your medications for disposal free of charge and anonymous, no questions asked.

There will be shred truck available at the Community Center from 9am-12pm. Shredding will be done on site by P. Pellegrino Trucking Co, Inc., and later transported for disposal. You may bring up to two boxes or bags of your personal documents for shredding. Please be sure there is no metal or cardboard, this is strictly for paper. There will be no charge for this service.

The Town will be offering a discounted rate of .06 cents for bulky waste brought to the transfer station. This will only be in effect on May 1<sup>st</sup> and will last from 8am – 5pm and limited to two trips per person/vehicle.

If you would like to participate in this event, please contact Melissa Bradley [m.bradley@brooklynct.org](mailto:m.bradley@brooklynct.org).

### DOG LICENSES

June is dog license month! Connecticut State statute requires that all dogs over six months old be licensed in your town. Proof of up-to-date rabies vaccinations—with the expiration date—is required with all licenses. Fees are as follows: \$19.00 per dog or \$8.00 per dog that is spayed/neutered. You must bring proof from your vet that your dog has been spayed/neutered. All dog licenses expire on June 30th and there is a \$1.00 per month late fee after that date. **Due to COVID-19, we encourage you to renew your dog's license by mail. Look for your renewal letter in May!** An online renewal option is coming soon!

### HUNTING & FISHING LICENSES

Hunting & Fishing seasons are here! Licenses and permits can be purchased in the Town Clerk's office during normal business hours. You can also purchase directly through the Connecticut Department of Energy & Environmental Protection's website. Remember, if you're over age 65, your license is free!

# Parks & Recreation Spring Update

Greetings from the Parks & Recreation Dept!

We are sure that everyone was as excited as we were to see the return of warmer days and signs of spring! For many people, this signals that it is time to get outdoors with fun activities. We have spring and summer programs to do just that. Christina is always ready with fitness programs to keep you active and interested. After a season of Winter Warriors Running Club, she has transitioned seamlessly into Spring Running Club. You can always join in, even though this program is now ongoing. Running not your thing? No problem, we have

Sunrise Fitness, Cross Train Fix, Pylo at Park and Summer Boot Camp. Check out all the options on our website.

We are taking registrations throughout the spring for the fitness programs, and for all our other spring and summer programs. Sue's Craft Classes are scheduled to meet in May. She has one for the adults and one for kids! Her classes are fun and imaginative. Look online for the class description and registration forms. Rose is returning with Baton Twirlers. This is a great chance to share a past activity of many grandparents with a new generation of children!

Summer Slam Basketball Clinic will return for the 2021 season, and we are very excited! Held at the Middle School, this is an annual favorite for kids ages 8-13. New this year, Grand Slam Baseball Clinic will join the summer lineup. This will be held at the "Saveway" Fields off South Main St this July. Kirk Kazcor, former Killingly High sports standout, and current Old Lyme High School basketball coach will join Bucky Lohbusch, former UCONN pitcher and Brooklyn Middle School coach for both clinics.

Summer Day Camp and TEEN Camp are slated to begin June 28<sup>th</sup>. After a summer of no camp and the strangest school year ever, we are looking forward to welcoming back all our campers! Registration began in April and will continue until maximum numbers have been reached. With the assistance of funding for the educational and social needs of children, who were so affected by the COVID lockdowns and changes to their normal life activities, we have partnered with the school to offer camp free of charge this summer, to Brooklyn residents. The school is offering an

educational enrichment program and we have been able to coordinate so children wanting to attend both our programs can do so. We do have attendance limits, so parents were encouraged to register early.

Our Michael Dragon Complex at Prince Hill Park will see new basketball rims installed this spring. After our usual winter shut down of the courts, we will reopen this spring with new rims at all four baskets. We ask for everyone's patience as we wait for the installation to take place. Our tennis nets will go back up in April along with our volleyball nets, so everyone can begin to get back outdoors to enjoy the sunshine! Our trails are always beckoning and are available at many different locations throughout the town, including Prince Hill Park, near the Tennis Courts, at Riverside Park, and at Davis Forest. This is also the location of our Disc Golf Course.

We hope everyone can get outdoors and enjoy spring this year. We still need to continue to follow the health guidelines, and all do our part to work toward our return to normal. But there is so much we can enjoy and take part in, simply by following the advice and guidelines. Wear your mask, remember your 6-foot rule and wash your hands. Simple rules that make such a big difference in all of us getting out there and enjoying life again!
