

**Town of Brooklyn
Inland Wetlands and Watercourse Commission
Saturday, January 12, 2019
Site Walk Minutes
8:00 a.m.
291 Canterbury Road**

Summary:

In attendance: Demian Sorrentino (IWWC), Jim Paquin (IWWC), Rich Oliverson (IWWC), Norm Thibeault (KEA), Doug Hartin (Operator/Applicant)

Started walk @ 8:00A.

Reviewed both operating faces and immediate environs, access haul road, discussed adequacy of RCP culvert under haul road (NT to provide finding), discussed fill on easterly side of access road adjacent to Blackwell Brook, groundwater discharge, advised installation of Sediment fence and a stone check dam prior to next rain event to avoid further impacts to Blackwell Brook.

Ended at 8:56A.

Demian Sorrentino
Vice Chairman
