The Brooklyn Planning and Zoning Commission held a site walk for the purpose of viewing the following proposal:

**SPG 19-002 Gravel Special Permit-** Brooklyn Sand & Gravel, LLC, 64+- acres, 530 Wauregan Road (Assessor's Map 30, Lots 97, 97-1, 97-2), Proposed removal of approximately 218,000 cubic yards of sand and gravel.

Attendance

Commissioners: Jules D'Agostino, Carlene Kelleher, Austin Tanner, Michelle Sigfridson, Earl Starks

Staff: Jana Roberson

For the Applicant: David Held

Other: Joseph and Shellie Ogden (564 Wauregan Road)

Individuals met at 530 Wauregan Road and walked over to 564 Wauregan Road. They viewed that property and then crossed over the property line into the gravel operation. After viewing the westernmost limit of operations, the group returned over the residential parcel and proceeded back to the front entrance.

Ms. Sigfridson left the site walk at approximately 4:30 p.m. after viewing the property at 564 Wauregan Road.

Then, the group walked towards the utility easement and viewed the processing operations from the base of the transmission tower east of 588 Wauregan Road.

The site walk commenced at approximately 5:00 p.m.
