Subject: Resignation from Committees

Being that my term as a selectman in the town of Brooklyn ends next month, I would like to give you advance warning of my decision to drop some of my committee assignments. Some of these assignments were accepted because as a dedicated selectman felt that I needed to step-up and accept additional responsibility.

As the upcoming election approaches, I would like to resign my position on the following committees effective on November 7, 2023:

1. Resource Recovery
2. Zoning Board of Appeal
3. Homeland Security

If it is possible, I would like to continue on the ARPA committee until we finish the task of spending the remainder of the money associated with this committee.

Whoever is on the Board of Selectmen next year, I would also like to be considered for the Capital Committee which I have served on several years.

It has been a pleasure serving on the Board of Selectmen and if I wasn't up in age, would have continued to serve if the residents elected me again.

"Good Luck" to both of you in the upcoming election.

Sincerely,

Lou Brodeur
