Subject: Information requested

Dear Mr. Tanner,

Please be advised that this office represents Norman Geer for injuries he sustained in a motorcycle accident which occurred on loose gravel on Beecher Street, near the intersection of Christian Hill Road, on September 14, 2022. I am requesting information to identify the construction company who was doing the road repairs and responsible for posting proper signage of the loose gravel road condition. Please contact me at your earliest convenience to discuss this matter. Thank you.

Sincerely,

Angela M. Edwards
Attorney

NEW ENGLAND ASPHALT SERVICES

Liquid Asphalt Specialists
Commercial Lots / Roadway Resurfacing
508 FOREST RD • NORTHFORD, CT 06472

July 28, 2021

Town of Brooklyn
4 Wolf Den Road, PO Box 356
Brooklyn, CT 06234

Reg. Road Resurfacing 2021

To Whom It May Concern,

New England Asphalt Services is pleased to provide pricing for the installment of a single chip seal over the existing asphalt on Bailey Woods and Beecher Road. All pricing is based on our measurements and quantities taken and includes personnel, asphalt distributor, stone, equipment and liquid asphalt needed to efficiently furnish our resurfacing system over the existing clean dry roadway. Our pricing does not include traffic control or sweeping. If you would like to proceed with this project for this year please let us know prior to August 6th.

Your pricing is as follows:

- Single 3/8" Chip-seal (CRSZL) - \$66,230.00
Estimated: 37,000 Square Yards

Respectfully Submitted,

Brandon J. Paine
Sales Representative
Cell: (203) 710-3659

In an increasingly competitive market New England Asphalt Services LLC greatly appreciates the opportunity to earn your business. In an effort to better serve our customers please read and take note of the following:

- Due to the fluctuation of prices over time New England Asphalt Services reserves the right to make the necessary price adjustments due to increases associated with petroleum recovery. Asphalt quantities are based on the DOT's published price and will be assessed upon project completion.
- This quote is based on road conditions under one installation with all lane access.
