

# Areas of Concern on Fire ordinance from BOS

## Delineation

Question if Town establishes firelane, it would be prudent for them to install signs - and probably avoid issues of not being done correctly.

## Penalties

Felt 48 hrs is unreasonable to pay Ticket

## Establishment of firelane

Should P+Z be involved -  
and does it need to be announced in public Newspaper

## Maintenance

Should not Municipal owned Fire lane be maintained by Town?
