Please include any questions or comments: I have called the townhall numerous times waiting on a response from the selectmen or a representative. I live on 9 Plaza Street Brooklyn CT. There is a town owned parcel of land, unusable behind my home behind the joblot Plaza. None of my neighbors are interested in said property. I would like to purchase it and am trying to contact the correct person to speak with about it. It was for sale a few years back and no one bought it.
