STIPULATED ORDER

The Plaintiffs in this matter, Brooklyn Fire District and East Brooklyn Fire Department; and Defendant in this matter, JMN Properties, LLC, hereby submit this Stipulated Order to the Court, in connection with Plaintiffs' Application for a Temporary Injunction (Docket No. 140), and the Court's direction at the hearing held on July 31, 2023.

Plaintiffs have agreed to withdraw their Application for a Temporary Injunction in exchange for Defendant's agreement to the following stipulations, submitted to the Court as a proposed Order:

1. Plaintiffs, at their own expense, may place moveable sawhorses where there are "fire lane/no parking" markings on the east side (JMN Property's side) of the right-of-way ("ROW") providing ingress and egress running from South Main Street on the westerly side of Defendant JMN Property, LLC's property at 17 South Main Street.
2. The sawhorses shall be placed in a location that will not impede the ability of anyone with rights to the ROW to access their properties;
3. The sawhorses shall be clearly marked as "Property of the East Brooklyn Fire Department," and the maintenance and liability for same shall be the responsibility of the Plaintiffs.
