There will be a memo of understanding signed by the Little League and the Town, to ensure that it is clear that all the equipment and buildings will be town owned property.

There have been open lines of communication with the Town, Commission and Little League, and the hopes are it will continue into the future. The Commission chair expressed the need to communicate with all the leagues and is excited to move forward in the spirit of cooperation.

The Gazebo plans are moving forward. The plan should be ready in a week and will go out to bid.
