OCTOBER 15, 2017

Stephen Mylly
Emergency Management Director
Town of Brooklyn, CT.
4 Wolf Den Rd, Brooklyn CT. 06234

Dear Stephen,

I regret to inform you of my intention of resigning from my position with the Brooklyn Emergency Management and Homeland Security Committee. I have enjoyed my time with the committee and I learned a great deal that I am certain will help me in the future.

As you may know, my wife is pregnant with our first child. I feel it is best if I step back from some of my volunteer work to focus on my family. I wish I had been able to contribute more to the committee and I look forward to working with the committee in the future through the fire department. Should I find time in the future, I will consider joining again.

It was a pleasure working with all of you.

Sincerely,

Thomas Gugliotti
