Potential partners:

- The Last Green Valley
- Brooklyn Business Association
- NE Chamber of Commerce
- What other town-supported groups provide services to Brooklyn community related to Sustainable CT?

Resources available:

- Equity coaching: Letters of interest will be accepted on a first-come, first-serve basis until July 1st, 2019.

Upcoming support:

- Sustainable CT Fellows- for the second year in a row, the nine Council of Governments in Connecticut will be hosting Sustainable CT Fellows. The role of the fellows is to work with registered towns and provide support as needed. Northeastern Council of Government will be hosting two fellows this summer, starting in early June.
