A hand-drawn map showing the layout of a facility. The map includes several labeled areas and structures:

- WOODPILE**: Located at the top right.
- MICROWAVE**: Located in the upper left.
- ELECTRONIC WASTE**: Located in the center.
- A.C. UNITS**: Located in the upper right.
- SHED 1**: A rectangular building located in the center-right area.
- SHED 2**: A rectangular building located below SHED 1.
- B**: A small square structure located near the bottom right of the map.
- C**: A small square structure located below B.
- D**: A small square structure located to the right of C.
- BOOK DONATION**: A label located between the two sheds.
- CLINGTON AND BOOKS**: A label located below the donation area.
- LOWER ACCESS ROAD**: A label oriented diagonally along the bottom left.
- METAL**: A label located in the bottom right corner.

TRAFFIC AREA:
PLEASE BE AWARE
OF OTHERS AT ALL
TIMES.

A hand-drawn map showing a layout for dumping materials. At the top, a curved line labeled "TOP LEVEL DUMPSTER ACCESS" contains three boxes labeled A, B, and C. Box A is labeled "CLOTHES", Box B is labeled "BOOKS", and Box C is labeled "DONUTS". Below this, a diagonal line labeled "LOWER LEVEL ACCESS ROAD" leads down through several labeled areas: "MATERIAL", "TIRES", "BOARD & CORDS", "BULK 2", and "BULK 1". In the bottom right corner, the word "TINDED SURRY" is written.
